## No Eligible List Yet For P.O. Job

The U. S. Post Office Department has informed Assemblyman Francis Worley that up to a few days ago it had not received any certified list of eligibles for appointment to the postmastership at York Springs.

The Civil Service Commission reported that eight had passed the written examination for the post but that the applicants had not been rated and that the customary top three eligibles were not ready for certification.

A news story published December 31 quoted County Republican Chairman H. Earl Pitzer as saying that Ross Koons, York Springs, had been recommended for appointment after a meeting of area GOP committeemen and his name forwarded to Congressman Stauffer.

The Post Office Department letter revealed that Koons' name appeared third on an alphabetical but unrated list of applicants secured from the Civil Service commission. Mr. Worley said he had written the P. O. department at the request of one of the applicants for the appointment.

# COURT ORDERS

(Continued From Page 1)

The executors of the estate of John G. Gaston, Katherine V. and Hazel S. Gaston, and Atty. J. Francis Yake Jr. claimed the amount. Attorney Donald G. Oyer, representing a number of the creditors who had been paid off at about five cents on the dollar during the bankruptcy proceeding, also claimed a share. As a result in 1955 the New England Mutual Life Insurance Co., holders of the policy, paid the \$34,604.78 into the Missie District Court and asked the court to decide who should get the money.

The suit opened in 1956 before Federal Judge Frederick V. Folmer. A hearing was held before the court last May and last August briefs were filed by the parties concerned.

**Did Not Press Claim**  
Judge Folmer's opinion, handed down late Friday, noted that the policy had been paid for by the corporation and was the corporation's, adding that under the law the insurable interest is not lost "by reason of the termination of the employment, 'when a company places a policy on an employee."

The opinion said the Gaston estate had originally filed a claim but did not press "same and in the light of" state law "it is clear that his estate could have had no interest in this policy."

The court held that the Gettysburg National Bank in accepting the \$161,460 for the bondholders had "no further claim in any way whatever against the assets of Inductive Equipment Corporation, real or personal."

**No Other Claims**  
And neither the trustee in bankruptcy, nor the other creditors could have any claim since the approval of the amended plan of reorganization had agreed that "all claims of any kind whatsoever shall be considered to be paid in full and shall be discharged and cancelled," according to the terms of the reorganization as approved by the court.

As a result, the court directed payment of the insurance amount to the reorganized Inductive Equipment and held: "The creditors cannot now complain because an asset of the corporation which had an uncertain value became more valuable than was expected."

The case involved a number of attorneys, five of them members of the Adams County Bar: Attorneys Richard A. Brown and Donald M. Swope represented the bank; Donald G. Oyer, other creditors; J. Francis Yake Jr., the estate; and Charles W. Wolf, Inductive Equipment and Essex Wire, assisted by Attorney John D. Thrush.

### "PORTALS OF LIFE"

The corridor of living . . . is lined with endless doors . . . that open to the will of man . . . whenever he explores . . . some pave the way to untold joy . . . while others prelude strife . . . and there are those that hide from view . . . the secrets of this life . . . by reading books and making friends . . . we unlock many things . . . bringing to light a magic world . . . where inspiration sings . . . it's up to us to choose the door . . . we wish to enter in . . . this choice will often seal our fate . . . and make us lose or win . . . so we should seek the righteous ones . . . however hard to force . . . by doing this we'll detour things . . . that tend to bring remorse . . . as we walk through the hall of life . . . approach with care, new portals . . . for one mistake can make a fool . . . out of us learned mortals.

sented by Mr. and Mrs. John J. Berwager, and the altar flowers were placed by the Altar Guild. Anyone wishing to present bulletins for a given Sunday should contact Ralph I. Unger. Donors of flowers should sign the flower chart or contact one of the following members of the Altar Guild: Mrs. Stanley R. Sell, Mrs. Clair R. Markle, Mrs. Vernon S. Arentz and Mrs. G. Howard Koons.

Christ Church Choir will rehearse at 7:30 o'clock on Tuesday evening.

Boyle, will conduct classes on religious instructions this evening, for junior-senior high school students of the parish attending public school, at 7 p.m., and for a class of adults at 8 o'clock. The following committee is in charge of arrangements

## FARMER GROUP MEMBERSHIP ABOVE QUOTA

Membership in the Adams County Farmers Association is already ahead of the quota of 330 set for this year by the association's board of directors. This is a result of the efforts of 75 workers in the current campaign. Working in pairs, the men signed up 346 members in two days, Ray K. Hagenbuck, area representative, said today.

John Pitzer, Aspers, managed the successful campaign, assisted by a committee headed by Stuart Lucabaugh, Hanover. Members of the committee are Joseph Stoner, East Berlin R. 2; Donald Leer, York Springs R. 2; Paul Pitzer, Aspers R. 1; Calvin Bream, Fairfield; Clem Redding, Gettysburg R. 2, and George Basehoar, Littlestown R. 1.

Two competitions sparked the campaign. Freeman Kuntz, Gardner R. 2, captain of the Huntington Twp. workers, challenged Paul Brough, York Springs R. 2, Latimore Twp. captain, to a contest to see which would sign the largest percentage of quota by check-up time. The Latimore group won.

### To Eat Oysters

In a similar competition between Lucabaugh and his captains and workers in Berwick, Hamilton, Conewago, Mt. Pleasant and Oxford Townships against Cameron Garrettson, Aspers R. 1, and his Menallen Twp. workers, the Lucabaugh workers were winners. The winners in both cases are to dine on oysters, at the expense of the losers, Thursday at Hotel Altland, Abbottstown.

The townships and the team captains who exceeded their quotas are: Berwick, Melvin Nace, Jr.; Butler, Wilmer Bream; Conewago, Oscar Winters; Freedom, John Wood; Germany, Leroy Lippy; Hamilton, Horace F. Klunk; Reading, Stoner, and Union, Ivan Arentz.

Manager Pitzer said that the campaign is continuing and that the remaining townships are expected to reach their quotas by February 5.

### Hold Father For Shooting At Son

A Gardner's R. 1 man was apprehended by state police Friday night after he allegedly fired several shots at his son following an argument in his home.

Held in the Cumberland County jail while police are investigating the affair is Ray D. Smith, 66. Police said Smith, armed with a .22 revolver, fired at his son, Ralph, as the latter was leaving his father's house. The bullet grazed Ralph's jacket sleeve. Police said Smith then ran out of the house and fired several more shots but none of them struck his son.

Police said they will confer with Harold S. Irwin, assistant district attorney, about filing charges against the elder Smith. The son does not want anything done about the shooting, police said.

munerative employment. He will also discuss the expanded services of the bureau being undertaken to provide more comprehensive services to the disabled. He will emphasize the type services that the bureau is interested in sponsoring to meet the particular needs of the mentally retarded and how these needs may best be met through sheltered workshop facilities. Mr. Marsellus will assist Mr. Reisman in his presentation.

The function of the sheltered workshop will be described by Mr. Nye who will tell of the activities of his organization and the type services his workshop offers to the mentally retarded. Mr. Nye will include experiences encountered in establishing his workshop in Chambersburg.

Members of the Adams County Chapter of the Pennsylvania Association for Retarded Children, friends and parents of the handicapped and of children at the Day Care Center are invited to bring friends and attend this meeting.

She received a Bachelor of Science degree in Education.

Miss Roland, who has been doing student teaching at Gettysburg High School, has accepted a position to teach in the adult education classes here. She is a 1955 graduate of New Oxford High School. While in college she participated in Pi Nu Epsilon, Economics Club, Band, Business Education Club, Future Teachers of America, Boarding Women's Council, and Lutheran Students Association.

## 3 FROM AREA AT FORT DIX

Three Gettysburg area men have arrived in Ft. Dix, N. J., where they have been assigned to units of the U. S. Army Training Center, Infantry, for eight weeks of basic training.

Harry M. Hartman, son of Mr. and Mrs. Guy E. Hartman, R. 3, and David W. Harman, son of Mrs. Anna Mary Harman, R. 4, were assigned to Co. D of the 2nd Training Regiment and George E. Staley, son of Mr. and Mrs. Elliott D. Staley, 534 W. Middle St., was assigned to Co. H, 3rd Training Regiment.

Pvt. Staley attended Gettysburg High School before entering the service. Pvt. Harman and Pvt. Hartman attended Biglerville High School. Hartman was employed by the Inland Container Corp., Biglerville. Harman was employed by the American Stores Co. here. His wife, Mrs. Margie G. Harman, the daughter of Mr. and Mrs. Walter Lantz, is residing at Sabillasville, Md.

The three new soldiers will receive instruction in general military subjects, infantry weapons and tactics during their first eight weeks. Then, following a two-week leave, they will receive eight more weeks or advanced infantry training before being enrolled in a specialist school or an Army technical school.

## ADLAI TALKS ON EDUCATION

SAN FRANCISCO (AP)—Adlai Stevenson charged today that the American people themselves must shoulder the blame for the ills of public education in this country.

"If the community wants driver education or bachelor cooking instead of Latin and mathematics, it will get it," he told the annual convention of the National School Boards Assn. in a prepared address. "And if the colleges give scholarships to boys with coordinated bodies rather than with coordinated minds, what will a student value?"

The titular head of the Democratic party reminded the school board members from across the nation that "students and their families are reluctant to borrow for education. They will buy TVs, autos, washing machines, even travel, on time and credit, but not education for their children. Is it less necessary?"

He said "improvement is imperative," despite "the anti-intellectualism of so many communities, the inertia of so many pupils, and the poverty of so many school districts."

Stevenson rapped the nation's schools of education and teachers colleges for what he said was living in isolation from the sources of intellectual ferment in the great universities.

"There has been too much emphasis on how to teach a child, rather than what to teach him," he said. "The emphasis must be restored to teaching teachers the solid content of history, science, English, etc., instead of the techniques of teaching."

### File More Papers In Suit On Title

Papers were filed by William G. Monroe, Harrisburg, Hartford Insurance Co. and Paradise Mutual Insurance Co. today with the county prothonotary in the action to quiet title brought by Alton V. and Hallie A. Snyder, Fairfield R. D., against Lillian B. Pryor, Monroe and the two insurance companies.

The matter pertains to a mortgage on a property owned by Snyder which burned in 1955. The allegation was that since insurance was paid to the holder of the mortgage, Mrs. Pryor, the mortgage should have been marked as paid off. Instead the mortgage was transferred to Monroe as agent for Hartford and Paradise Mutual.

In all three papers the defendants filed motions to strike off the complaint alleging that copies of the mortgage and policies were not attached to the original complaint as required by law and that the addresses of the various persons involved were listed in the caption of the complaint "which is in violation of the rules of civil procedure." The papers also ask for more specific complaint, and also contain petitions to dismiss based upon the fact that a similar case had been started in York County and was thrown out because the complaint was not filed within a year of the fire.

### Introduces Two More Measures

Assemblyman Francis Worley said this morning he will introduce two more bills in the state Legislature at its session today. One would repeal a law passed in 1850 dealing with prescriptive rights over unseeded or unimproved woodland and the other would provide that future inaugurations be held in the Farm Show building or in the forum of the state education building where Governor Martin took the oath of office. He said the first bill was asked by constituents and the second in an "economy" measure.

Mr. Worley said the Martin inauguration cost \$5,000; Duff's, \$5,963; Fine's, \$25,000, and Leader's, \$25,000. He said the bills are not all in yet for the Lawrence inaugural but contracts for the outdoor stands cost over \$11,000.

## 21 PERSONS DIE ACCIDENTALLY

By THE ASSOCIATED PRESS  
At least 21 people died accidentally in Pennsylvania over the weekend—nine of them in fires or on-the-job accidents.

Traffic accidents accounted for the 12 other deaths.

The most tragic of the automobile accidents happened near Sunbury Saturday. Three women and a boy in their teens and 20s were killed.

Three members of a family perished in a fire at their home near Williamsport Saturday, and a brother and sister were burned to death Sunday when fire swept their home in Everson, Fayette County.

Two one-the-job accidents took two lives apiece. In Philadelphia, two railroad construction workers stepped into the path of a passenger train Sunday. In Rankin, a car hopped at the U. S. Steel Corp.'s Carrie Furnace crushed two men Saturday.

## Set 7 Miles For Fly Fishermen

HARRISBURG (AP)—The Pennsylvania Fish Commission today set aside seven miles on four streams for fly fishermen for the 1959 season.

William Voigt Jr., executive director, said the step had been requested by sportsmen.

The additional seven miles will bring to 65 miles the stretches of water restricted to fishing with artificial flies and streamers.

The new stretches are: Three miles of the Loyalsock Creek in Lycoming County, from the county line to Sandy Bottom; one and one-half miles of Caldwell Creek in Warren County, between Selkirk and Dotyville; two miles of Clear Shade Creek in Somerset County, in the vicinity of the Windber Water Dam; one and one-fourth miles of Green Spring Creek in Cumberland County, near Newville.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times  
ONE HUNDRED YEARS AGO

Mr. Moses Ziegler, of Huntingtown township, has been cultivating the Sugar Cane on a small scale — and with success. He realized 40 gallons of an excellent article of Molasses from a quarter of an acre. With proper arrangements and systematic cultivation it evidently will be a profitable crop.

At our last Court, Wm. R. Gallagher was appointed Tipstaff, in place of Hugh M. Craig, deceased.

Hunterstown is looking up in a small way. They had new M. E. Church dedicated there on the 16th, and several other new buildings were put up during the past season. There appears to be a spirit of improvement abroad in our noble little County of Adams. We notice too, that handsome improvements are going on at Petersburg (York Springs) as follows: The store building of Mr. Jacob A. Gardner is nearly completed. Mr. Ephraim Hitesue is done and now occupied by him. Mr. Arnold Gardner's new house is one of the best in the county with highly ornamental and attractive grounds. The new School House is finished and the schools have been removed into it. Mr. Moul has had built a fine addition to the York Springs building.

Installation: Rev. Walter E. Krebs was installed pastor of the Emmitsburg church on the 14th instant by a committee of the Maryland Classis of the German Reformed church.

Lime Business: Few persons have any idea of the immense business in lime about being developed by our Railroad. The stir about the Depot — the daily arrival of lime cars — and the constant passage of lime wagons through our streets have for some days attracted a good deal of attention. The enterprising firm of Sheads, Buehler & Kurtz have engaged largely in the business and are about putting up a large Lime-house at their yard. Thus far they have been unable to supply the demand, although daily receiving from 500 to 1,000 bushels. We understand that several of our farmers have ordered 200 bushels each. Messrs. S. B. & K. Co. furnish lime at 12½ cents a bushel. Their arrangements being such as to enable them to deliver it at prices charged at the kiln with the Railroad freight added. This trade must continue to grow and with every bushel of lime employed as fertilizer we will have a corresponding increase of produce for the City Markets.

## SEVENTY-FIVE YEARS AGO

Local Items: Bendersville had two fox chases on Saturday. Samuel N. McNair has been re-appointed postmaster at Emmitsburg, Md.

H. A. Meals, Huntingtown township, had a leg broken last week by a kick from a mule.

Mr. Ezra E. Taylor will open a Select School in Arendtsville April 7.

The book containing the York Springs borough ordinances has been lost and Burgess Cline offers 50 cents reward for its recovery. The comet now visible was nearest the sun on the 25th inst. and will gradually diminish in brightness. It is known as the Pons-Brooks comet or comet of 1812. Although not as large or bright as many others, it has many features that render it unusually interesting to astronomers.

Freedom Items: A great deal of inconvenience is being experienced by persons in this neighborhood owing to the condition of the fording on March creek below Greenmont, it being blocked up with ice. Some time ago while Mr. L. A. Overholzer, from Liberty township was driving to Rhodes' mill with a load of grain, he got fast in the ice and nearly capsized. Some neighbors came to his assistance and he got out without any serious results.

## Today's Talk

**STARTS**  
Starts toward a definite objective are always important, even though we may give to another the job of finishing something begun by us.

Many courageous adventurers, for a long period of years, tried to reach the North Pole. Try after try was met with defeat — until Admiral Peary succeeded, largely by learning why the others failed. All those starts by others were not wasted. No efforts are wasted that serve a useful purpose in the end.

The starts that ended in perfecting the automobile, the airplane, the telephone, the radio and TV have inspired great numbers to attempt the start of endless useful things. How few of us have the slightest idea of our potential, or of the starts that must be made to reveal this potential!

A German doctor finally discovered a useful medicine, but not until 606 trials had been made, so he called the discovery 606! Edison started an almost endless number of useful inventions, but each one of these served a great purpose through their start. Never grow discouraged after any start that shows a useful possibility.

These Talks are drummed out each day on an efficient little typewriter, but it was Edison who made a model that has inspired the creation of scores of typewriters that are now so useful for endless application. People who make the start that inspires others serve all mankind.

In my youth I listened many times to an inspiring lecturer, and I have often called to mind one line that he used. It was this: "It is serious business to start a Soul voyaging toward Eternity!"

Tomorrow Mr. Adams will talk on the subject: "Things to Overlook"

## Just Folks

THEY STAY HOME

No one going anywhere;  
We don't have any fun.  
Seems she's always worrying  
About the little one.  
Theaters? We've cut them out;  
Though I say it's wrong,  
Mother says that she can't stay  
Away from him so long.  
Had to give up parties, too,  
Found it was no use;  
Ten o'clock would come, and she  
Framed up some excuse  
To slip quietly away  
From the merry throng;  
Said she couldn't bear to stay  
Away from so long.  
Oh, you lucky little tyke,  
Blest with such a Ma,  
Who can never happy be  
Save right where you are,  
And no matter where she goes,  
Tugging at her strong  
Always is the thought that she  
Must not leave you long.

New Oxford Item. Every noon and evening—more particularly in the evening as soon as the mails arrive—a large number of young men and boys congregate at the post office. Their skylarking and disorderly conduct, at times, is a great source of annoyance to the postmaster in the office, as well as those who go there to receive their mail matter—particularly to ladies. We trust that some means may be devised to prevent a repetition of this offensive conduct hereafter. This has been going on for some time and should be stopped.

WILL PRESENT  
FOUR AWARDS  
TO SCOUTERS

Four Scouters in the York-Adams Council, Boy Scouts of America, will receive Silver Beaver awards, the highest honor paid to Scouters on the council level, at the 42nd anniversary banquet Thursday in the Hotel Yorktowne, York.

Atty. Horace G. Ports, York, U.S. commissioner and member of the council's executive board, will present the awards. Identity of those honored is kept secret until the presentation.

C. Fred Gibbs will be the toastmaster. The Rev. Fr. Claude F. Wiegand, of St. Joseph's Catholic Church, York, will give the invocation.

Dr. Wilbur E. Tilberg, retired dean of Gettysburg College, will award eight statuettes, one each in the Black Walnut and Conewago and two each in the Mason-Dixon, Indian Rock and White Rose districts, to outstanding Scouters.

**Conservation Award**  
C. Robert Sanders, assistant district commissioner, will be the first in the York-Adams Area Council, to receive the William T. Hornaday award, given for distinguished service in conservation by the Boy Scouts with the cooperation of the New York Zoological Society. Dr. John G. Albohm, superintendent of York City schools, will make the presentation.

Five boys will be selected to serve as the color guard for the Silver Beaver presentation, one each Cub Scout, Explorer, Sea Explorer and Air Explorer.

Explorer Sevel is chairman of the anniversary committee, members of which are Eugene Hartman, Gettysburg; Dayne E. Garrett, Hanover; C. Fred Gibbs and Jacques S. Schmitt, York; and Harvey J. Becker, Red Lion. Election of officers to serve the council will follow the ceremonies.

## HOTEL EXECUTIVE DIES

HAZLETON, Pa. (AP)—P. Joseph Fitzgerald, 54, a prominent hotel executive, died of a heart ailment Sunday in St. Joseph's Hospital.

Fitzgerald, sales manager for the Sterling Hotel Chain, was a native of Harrisburg.

Fitzgerald leaves his widow and three children. Funeral services will be held Wednesday.

CONSHOHOCKEN, Pa. (AP) — The Alan Wood Steel Co. says its profits increased last year despite a decline in sales.

The firm Sunday reported net earnings of \$2,109,000 equal to \$2.66 a share for 1938, compared with \$2.04, or \$2.60 a share the previous year. Sales last year were \$54,163,000. They were \$67,800,000 in 1937.

TIVERTON, R. I. (AP) — Two families were grief-stricken today by the thin ice drowning of their sons—one of whom perished trying to save the other.

Police said that after Eric Gustafson, 13, broke through ice on a pond Sunday, James Carvalho, also 13, ran to Eric's assistance. He also went through the ice.

To Improve Fishing  
In Sixteen Counties

HARRISBURG (AP) — Public fishing areas in 16 counties will be improved under a construction program planned this year by the state Fish Commission.

The agency said Saturday that work will include building access roads, parking facilities and launching ramps at sites in these counties.

GREEN TRIAL  
GRINDING ON

By LEE LINDER  
LEWISBURG, Pa. (AP)—A witness testified today at the conspiracy trial of Re. William J. Green Jr. (D-Pa) and six others that the firm which designed the Army Signal Corps Depot at Tobyhanna admitted making a survey error "but was unable to explain why."

The testimony from Clarence F. Wicker, head of the Engineering Division of the Philadelphia District of the Army Engineers, hinged on a charge that one of the defendants—John P. Gilboy Jr., former Scranton engineer whose firm planned the 33-million-dollar depot—cheated the government by making false excavation estimates.

The firm also is accused of lying about its staff and forging documents in its successful effort to get the \$1,200,000 design supervision job.

Gilboy's firm—Gilboy, O'Malley and Stopper — estimated it would have to remove 2,964,000 cubic yards of earth to prepare the site.

But in October 1961, six months after this estimate, Wicker testified the figure was increased by 772,000 cubic yards, roughly 25 per cent more.

## World Briefs

BRUSSELS, Belgium (AP) — Several hundred African youths denied admission to a government sponsored political meeting Sunday in the Belgian Congo city of Matadi.

A Belgian police officer and some Africans were injured before order was restored.

Belgian authorities had called the meeting to explain the Brussels government's long-term plan for local elections and eventual independence for the big central African colony.

KARACHI, Pakistan (AP)—The United States, Pakistan, Britain, Iran and Turkey pledged today to maintain and strengthen the Baghdad Pact despite the apparent defection of Iraq.

The pledges were made at the opening of the pact's semiannual ministerial council meeting. Iraq is still a member of the Pact, formed four years ago as a defensive alliance against Communist aggression, but the revolutionary forces which overthrew King Faisal's pro-Western regime last July have boycotted the alliance.

COLOMBO, Ceylon (AP) — Yugoslav President Tito sailed westward today after a tour of the neutralist nations of Indonesia, Burma, India, and Ceylon. He said he was convinced they are going to avoid entanglement with either side in the cold war.

On his way home in his yacht Galeb, Tito will pay a visit to President Nasser of the United Arab Republic. He also will visit Ethiopia and Sudan before returning to Belgrade.

NEW YORK (AP)—Dimitri Mitropoulos, 62, Metropolitan Opera conductor, was reported still in serious condition today at New York Hospital. He was stricken with a heart attack last Friday.

The filling station attendant noticed the bill's off-shade of green and called police.

Police said Floyd M. Norris, 20, of Mokone, Mo., told them he printed the bills after hours at a Kansas City stationery company where he works.

WASHINGTON (AP)—The government expects to save 6½ million dollars a year on a new cost-of-living allowance system for military personnel overseas.

The new system which goes into effect Feb. 1 provides a different allowance rate for each rank and a different scale based on location and number of dependents.

Two areas were added that have not had such allowances—Hawaii and the Sudan. The rate in Hawaii will range from \$1.55 to \$3.50 a day for enlisted men and \$1.90 to \$4.90 a day for officers.

JERUSALEM (AP) — Israel today instructed its chief U.N. delegate, Abba Eban, to ask for a special Security Council meeting "on the series of Syrian acts of aggression."

The government decided Sunday to submit a complaint to the Security Council on Friday's killing of an Israel shepherd, Jacob Nir.

Have car, will travel—regardless of the weather! That probably comes close to describing the philosophy of many of the millions of Americans who drive cars.

In summer, their driving job is fairly easy—roads are free of such hazards as snow and ice, windshields usually are clear, and it's light during all of the morning and evening rush hours when workers are on their way to or from office or factory.

In winter, though, things are a whole lot different behind the wheel, according to the National Safety Council. Any motorist, lulled into confidence by a summer free of ice and snow, may find themselves unprepared these next few weeks for the added dangers of winter driving.

Not you we're talking about, you say?

Well, maybe not. Maybe you are up on the finer points of winter driving. If so, you probably know he answers of such questions as:

1. If my car starts to skid on glare ice, what should I do? (Keep your foot off the brake and steer in the direction of the skid.)

2. Is there any way to stop quickly on ice pavement? (No — but a fast pumping of brakes will stop you the quickest and let you keep control.)

3. How fast should I drive in winter? (That depends—remember it takes you 12 times as far to stop.)

If you weren't sure of all the answers, you're perfectly normal, according to the council. "Many drivers," it says, "are a little confused about what to do on winter roads."

"The time to learn the answers is not when you're in a jam—it's right now, before winter descends in all its fury."

The council's Committee on Winter Driving Hazards, which has made on-the-spot studies of how to go on ice and snow, gives these six tips to motorists:

1. Winterize your driving techniques and your determination to avoid accidents, as well as your car.

2. Make sure your car has good tires — preferably snow tires — and use reinforced tire chains for more severe conditions. Even with the help of snow tires or tire chains, slower-than-normal speeds are a must on snow and ice.

3. Keep windshield and windows clear. Make sure your wiper blades, heater and defroster are working properly. While your car's warming up in the morning, take a couple of minutes to clear all the windows—including the rear window—of snow and ice.

4. When you're out on the road—but away from traffic—try your brakes gently to get the feel of the road.

5. Don't follow other vehicles too closely. Remember, it takes up to 12 times further to stop your car on ice and snow as it does on dry pavement.

6. Best technique for stopping on winter roads—and still keeping full control of your car—is a fast up-and-down pumping of your brakes.

"Memorize and learn to use these six winter driving tips," the council says. "We'll guarantee you a safer, more comfortable ride this winter."

"There's not much you can do about the weather—except be ready for it."

## Cage Bright Star In Disappointing Season For Mount Cage Squad

With nine games to go in regular season play, the current Mt. St. Mary's squad has already lost as many games as any Jim Phelan-coached team since the former LaSalle star took over at Emmitsburg. Brightest spot in the dismal Mt. St. Mary's season which has seen a highly touted squad drop off to a 6-9 collegiate season is freshman Ernie Cage.

The former DeMatha (Hyattsville, Md.) All American high school cager has dropped in 312 points for a 20.8 average through the season's play. Cage hit his high mark against tough St. Francis of Loretto on January 21 when he tossed in 18 field goals on 30 attempts and picked up two fouls for a 38-point performance which tied the floor record for a visiting player and was only four points off the top performance of St. Francis' own Maurice Stokes.

Threatens Sullivan Mark

With nine games to go in regular season play — plus the possibility of tourney play if the Mountaineers can shake the doldrums — Cage is 112 points shy of Jack Sullivan's freshman record of 431 points on 169 field goals and 93 fouls. As a freshman Sullivan carried a 17.2 average, shooting 44.6 from the field and 64.5 from the foul line. Cage is currently hitting with 38 per cent of his field goals and 88.3 per cent of his fouls. Sullivan's high performance as a freshman was a 44 point effort against Baltimore U. which included 18 field goals and 8 fouls.

Phelan expects Cage to carry his average through the rest of the season. The string bean 6'3" freshman has a beautiful soft touch and with any improvement in the rest of the Mountaineer crew should get better shots.

Against St. Francis Ernie wore out a whole flock of tall, talented defensive operatives as "Skip" Hughes tried desperately to stop the Mountaineer flash by changing defensive players.

Cage and Sullivan, both products of Washington, D. C., basketball, have entirely different styles. Sullivan was a rugged 6'4" performer with a varied array of shots that included a one-hander from about 18 feet, a fine hook either from the key or the corners and a top flight drive. Cage lacks Sullivan's variety and is content to pop a quick one-hander with a smooth motion from outside although he will drive when the opportunity offers itself. Lacking Sullivan's strength — Sullivan went 190 to Cage's 160 pounds — Ernie is not as effective off the boards nor is he able to get the follow up shot if he misses although he hits the offensive board well and follows the ball.

Follow Same Pattern

Strangely enough the seasonal pattern of the current Mountaineer squad follows that of the 1953-54 squad on which Sullivan was a freshman. Then the Mountaineers posted a 14-11 season, were fifth in regular season Mason-Dixon standings and after a last second win against Baltimore in the opening round of the tourney went on to take the conference crown. At the 15-game mark the '53-54 Mountaineers had identical records with the present crew 6-9.

League losses included games to American U., Baltimore and Hampden-Sydney. To gain their tourney spot the Mountaineers whipped American, Catholic U., Washington, and Baltimore while losing to Loyola in the season's final stages. Now the Mounties must face Baltimore, Washington, Catholic, Western Maryland, and Loyola twice.

If they take their cue from the '53-54 team, they have their work cut out for them. From here on in there is no margin for error. Every game is a "must" game.

Now in exams, the Mountaineers return to action on January 31 against Rider College in Trenton, their eleventh game on the road.

## YORK STAGES COMEBACK IN DISTRICT 3

HARRISBURG (AP)—Defending champion York may yet have a lot to say about the 1959 PIAA Dist. 3 Class A basketball race.

Nothing seemed more certain before the current season began than that York, which went all the way to the eastern finals last year, would be far out of the running.

That prediction seemed to hold up when the Bearcats opened their Central Penn League campaign with a 67-49 loss to Harrisburg William Penn.

Has Staged Comeback

Since then, however, York has knocked off one league foe after another to compile a 6-1 record. Its comeback has surprised everyone including Coach Don Cockley.

Nevertheless, the Bearcats have a big job if they are going to overtake Penn, now leading the circuit with a 7-0 record. Penn, coached by Dick Eckenroth, has a hustling balanced club with good speed.

Whatever the outcome of the Central Penn race, Carlisle of the South Penn still is the favorite to win the district title. Carlisle, featuring 6-foot-4 Mike Washington, is unbeaten in 13 games and has won its league's first half title with ease.

2nd Half Opening

The South Penn's second half campaign opens Tuesday after a week's idleness.

Williamsport, another defending district champion that had been counted out of things, proved its early season victory over Shamokin at Williamsport was no fluke by doing the same thing on the Greyhounds home court. It was 60-30 this time and put the Millionaires on the spot as a good bet to repeat as champ of Dist. 4.

Allentown won an important Dist. 11 game by beating Allentown Central Catholic 55-63 to take over the lead in the East Penn.

Elsewhere around the PIAA:

In Dist. 1, powerful Chester won again, 75-39 over Harrison while defending state champion Haverford beat Lower Merion, 56-38.

Old Forge kept its pace in the Dist. 2's Lackawanna League with a 77-39 victory over Clarks Summit while Nanticoke, Wyoming Valley leader, defeated Hanover 77-58.

Plymouth, the Dist. 2 defending champion, lost a Wyoming Valley contest to Wilkes-Barre G.A.R., 53-32 in overtime.

Everett, leader at the moment for the Dist. 5 title, was beaten by Saxton 63-54.

Altoona won its second of the season over Johnstown Saturday night, 53-38, to strengthen its role as favorite to repeat as Dist. 6 champ.

Farrell, Charleroi Win

Farrell and defending champion Charleroi won again in the WPIAL (Dist. 7). Farrell beat Alliquippa 64-58 and Charleroi downed Brownsville, 79-48.

South Hills held on to the lead in Pittsburgh's (Dist. 8's) Section II with a 76-46 victory over Carle while Fifth Avenue and Parkway kept in front of the pack in the wide-open Section I scrap with Friday victories.

Puassutawney, an odds-on favorite to repeat as Dist. 9 titlist, defeated Clearfield, 64-46.

In Dist. 10, Erie Strong Vincent, defending champion, stayed way out in front in the Section I league with a 62-47 victory over Erie Tech.

## FEUD BETWEEN COACHES AND REFS FLARES

By THE ASSOCIATED PRESS

The running feud between the coaches and referees of the National Basketball Assn. showed no signs of slackening today in the wake of another outburst before a television audience.

The latest argument was between Syracuse Nationals' pilot, Paul Seymour, and Referee Jim Duffy Sunday in Cincinnati. The Royals snapped a two-game losing streak by defeating the Nats — 109-104 — but when it was all over Seymour had been banished.

The dispute came in the third period. Duffy called a technical foul on Syracuse veteran Dolph Schayes, who had been heckling the official all through the game.

President Looks On

This brought Seymour sprinting onto the floor. Duffy added another personal, and the trio stood on the court arguing. Finally the floor was cleared and Jack Twyman, who led the scorers with 33 points, made good on two free throws.

Maurice Podoloff, NBA president, watched the game but did not take part in the argument.

In other Sunday games, the Boston Celtics edged the Detroit Pistons, 119-118 in overtime; the St. Louis Hawks clipped the New York Knickerbockers, 115-111, and the Philadelphia Warriors downed the Minneapolis Lakers, 125-111.

It was a costly defeat for the Pistons as George Yardley, their high scoring ace, suffered a broken hand and will be lost to the team indefinitely.

Led By Cousy

The Celtics were led by Bob Cousy's 29 points in scoring their 14th victory in their last 17 games.

The Hawks' victory lengthened their Western Division lead to 14 games. Richie Guerin popped in 41 points for the Knicks.

Paul Arizin, the NBA's No. 2 scorer netted 39 points to lead the Warriors to their victory over the Lakers. Elgin Baylor hit for 41 points for the Lakers.

In Sunday night's games, Boston turned back Philadelphia, 132-104, Syracuse licked Cincinnati, 123-102, and New York outscored Detroit, 122-118 in overtime.

## YANKS BATTLE CHINA TONIGHT

SANTIAGO, Chile (AP)—Favored but struggling United States and Russia — the two remaining undefeated teams — see action tonight in the World Basketball Championships.

The Americans, who have won their two games by a total of six points, face Nationalist China, which has lost both its games.

Russia, which pulled even with the U.S. with a 66-63 victory over Brazil Saturday, goes against Bulgaria. The Bulgarians won their first game Saturday by whipping Chile, 76-71.

The U.S. team, represented by the Air Force All-Stars, has been unimpressive and Chilean newspapers are complaining.

Observed El Mercurio, largest Chilean newspaper:

"This team is not up to the quality we have been accustomed to expect from a U.S. representative."

The U.S. and Russia meet Wednesday. The game is rated a toss-up.

## 3-WAY RACE IN AHL SCORING

By THE ASSOCIATED PRESS

Thanks to a baby-faced, 20-year-old winger in his first year as a pro, the American Hockey League has a three-man dilly of a scoring race today to go with the Buffalo, Hershey and Cleveland scramble for first place.

Bill Hicke of the Rochester Americans collected four goals and two assists in three games over the weekend to take over first place in the individual race.

With two goals in Sunday night's 3-0 victory over Springfield, the young Montreal Canadiens' farmhand has 59 points, one more than the erstwhile leaders, Art Stratton of Cleveland and Ken Schinkel of Springfield.

Hicke's spree overshadowed the Buffalo-Hershey head to head battle for the lead, which wound up in a weekend split and Buffalo still leading by one point with Cleveland third, three points behind.

After losing the lead to Hershey in a 5-2 whipping Saturday, his second goal in 33 seconds of a sudden death overtime for a 4-3 decision.

## Van Brocklin Will Get Coaching Post

PHILADELPHIA (AP)—Quarterback Norman Van Brocklin is being groomed as the next head coach of the Philadelphia Eagles.

A reliable source told the Associated Press that when Head Coach Buck Shaw decides to call it a career, the 32-year-old Van Brocklin, one of the finest passing quarterbacks in the history of the aerial minded National Football League, will step into the job.

According to the best information, the 59-year-old Shaw plans to give up coaching once he gets the Eagles on the winning track. He would have gone back to his thriving business in San Francisco at the end of last season only he refused to bow out with a losing season.

Blak Silent

He also pointed out that it would be "desirable but not imperative" that the post be filled by a West Point graduate. However, only Green, Dobbs and Hall have been mentioned by Davidson.

Earl (Red) Blak quit as football coach and athletic director two weeks ago after piloting Army coach, will have the final say.

Blak refused to say who he favors—if anyone. However, it is known that Hall has been closest to him and is familiar with the personnel of the Army team. This will weigh in his favor.

Green and Dobbs also have served as Army assistant coaches under Blak.

**MORROW HAS TRIPLE WIN**

WASHINGTON (AP)—Bobby Morrow heads into New York's Millrose Games with a triple win to his credit in his first competition on the boards.

But he's still not convinced he'll ever become too fond of indoor running.

Morrow raced on a board track for the first time in the Evening Star Games Saturday night and came through in great shape — sweeping the sprint series just to prove he's an out-front man on the indoor dashes.

Prefers Outdoor

But the 23-year-old Texan from Abilene Christian College made it clear he prefers the wide-open outdoors.

"The crowd here is right on top of you. You can't find a place to warm up — and the boards are hard on your legs," Morrow said before the games in the Big Washington National Guard Armory.

Morrow had won three 1956 Olympic gold medals, equaled the world's record at 9.3 in the 100 and won many outdoor titles before testing the hardwood.

He scored his triple victory by capturing the 70-yard dash in 7.2 seconds, the 80 in 8.1 and the 100 in 9.8.

However, he didn't match the U.S. records set by Duke's Dave Sime on the same track — the longest straightaway in indoor track.

**HALFBACK IS MISSING**

TORONTO (AP)—Dave Mann, halfback with the Toronto Argonauts of the Big Four Football League, has been reported missing, police said Sunday.

Mann's wife told police he failed to return Sunday morning after conducting an early morning radio jazz program.

Mann, 26, came to the Argos from the Chicago Cardinals of the National Football League.

**BREAKS RECORD**

BRISBANE (AP)—World mile record holder Herb Elliott failed to break 4 minutes Sunday at an Australian track meet, but his time of 4:02.4 seconds was 6 seconds better than his existing Queensland record.

Elliott finished 40 yards ahead of world two-mile record holder Alby Thomas.

## NARROW FIELD ON ARMY COACH TO THREE MEN

WEST POINT, N.Y. (AP)—The field for the Army football coaching job today apparently had narrowed to three men—all West Point graduates.

The three are Jack Green, Tulane line coach; Bobby Dobbs, head coach at Tulsa, and Dale Hall, Army defensive backfield coach.

Lt. Gen. Gar Davidson, superintendent of the academy, said the three would be interviewed this week.

He also pointed out that it would be "desirable but not imperative" that the post be filled by a West Point graduate. However, only Green, Dobbs and Hall have been mentioned by Davidson.

## Warriors Host Hershey Tuesday As 2nd Half South Penn Race Opens

### Jack Jensen III From Nervous Exhaustion

CRYSTAL BAY, Nev. (AP)—Jackie Jensen, who has been busy on the banquet circuit, is missing at least two dinners because of nervous exhaustion.

The American League's most valuable player of 1958 will miss the Boston Baseball Writers' Dinner Thursday. The Red Sox slugger already has missed a Saturday night banquet at Washington.

Jensen suffered chills and nervous convulsions after boarding an airplane at Oakland, Calif. for a flight East.

Jensen was driven 200 miles back to his home and put to bed for at least 10 days under doctor's orders.

**Have Three Vets**

Three lettermen are on the Hershey squad. They include Wayne Faust 5-11, who led the Trojans with 108 points during the first half; Jim Rippon 5-9, who tabbed but 14, and Jim Price 5-11, who landed 76. Ken Snyder, a newcomer in the lineup, rammed through 84.

Gettysburg's lineup may be altered slightly. Hardy Nichols, who went down with measles two weeks ago, will be ready to return to the lineup but his replacement last week at Mechanicsburg, Don Goldsmith, turned in such a fine performance he may open. The other starters will probably be Bob Furney, Tom Crist, Mike Small and Sid Weikert.

The preliminary game between the junior varsities will start at 6:45.

Carlisle's unbeaten cagers, who swept through the first half and appear a shoo-in to retain their title, will play at Middletown; Mechanicsburg will be at Chambersburg, and Hanover at Waynesboro.

**County Teams Travel**

Five Adams County teams will again invade Franklin County for inter-division games in the Adams-Franklin League.

Biglerville (6-0) will play at Buchanan (4-3); Bermudian (5-1) at Greencastle (7-0); Littlestown (2-5) at Quincy (1-6); New Oxford (4-3) at St. Thomas, and Big Spring (3-3) at Fannett-Metal (2-2). Fairfield (0-7) and Scotland (5-1) will play on the Cadets' floor Wednesday evening.

In the South Penn Junior High League, Waynesboro plays at Hanover, and Chambersburg at Shippensburg.

**Near 600th Victory**

While they try to prove themselves, King Kentucky has three games to pick up the two victories Rupp needs for 600 in his 28-year career as head man of the Wildcats.

Kentucky goes for 599 at Georgia Tech tonight and has home games against Georgia Thursday night and Florida Saturday night.

The other seven members of the top 10 also are busy, with Kentucky (14-1) signaling the return of the Big Four which sat out last week to concentrate on examinations.

**Games In South**

North Carolina, No. 2, and North Carolina State, No. 4, return in doubleheaders at Charlotte, N.C. Friday and Saturday.

The Tarheels, 10-1 and leading the Atlantic Coast Conference by a game over State, play Clemson Friday and South Carolina Saturday in league tests. State, (12-1) meets South Carolina Friday and Clemson Saturday.

Kansas State, No. 3, tries to protect its Big Eight Conference leadership against Iowa State tonight, and has a nonleague game with South Dakota State on Saturday. K-State has a 13-1 mark.

## SELECT JURY IN SEDITION TRIAL TODAY

SAN FRANCISCO (AP)—The Powell sedition trial, only court case of its kind to come out of the Korean War which Congress never declared, begins today with selection of a federal jury.

Chief U.S. Dist. Judge Louis E. Goodman is presiding. The case has taken almost three years to reach trial stage. John W. Powell, 39, his wife Sylvia, 39, both of San Francisco, and Julian Schuman of New York were indicted April 25, 1956.

Powell published a magazine in postwar Shanghai, The China Monthly Review. He kept it going after the Chinese Communists came to power, with his wife and Schuman as associate editors. All three returned to the United States in 1955.

### Under 1917 Act

They are charged under the Sedition Act of 1917 with conspiring to obstruct the war effort and incite mutiny among U.S. forces by circulating copies of the magazine in the United States. The government says the conspiracy consisted of publishing charges that the United States waged germ war fare and obstructed peace negotiations. This was conspiracy, say the defendants knew the reports to be false.

Powell was born in Shanghai but educated in the United States at the University of Missouri. During World War II he worked for the office of War Information in Washington and in China. His wife, the former Sylvia Campbell of Pendleton, Ore., was a post-war UNRRA worker in Shanghai. Schuman, Boston-born, was a radio correspondent in Shanghai before he joined the Review's staff.

Defense efforts to obtain evidence and other maneuvers have delayed the trial. First the defense, led by Los Angeles attorney A. L. Wirin, sought to bring Chinese witnesses to the United States. The Red government refused to allow this unless the United States would sign a mutual legal assistance agreement. Then the defense got the government to send Wirin to China to interview witnesses. He returned saying he could produce a thousand witnesses, including scientists.

## Boy's Body Found After Eight Days

LEBANON, Mo. (AP)—The body of Willard Eugene Jones Jr., 3, was found 2 1/2 miles from his home Sunday, eight days after he wandered off in freezing weather.

Two soldiers, among 450 searchers from Ft. Leonard Wood, found the body in dense brush in a valley.

Coroner Stanley Palmer Jr. said Willard died of exposure, probably 24 hours after leaving home.

ATLANTA (AP)—The 1960 national convention of the Knights of Columbus will be held at Atlanta sometime in August that year.

Charles Chessier, state deputy of the Georgia Knights of Columbus, made the announcement Sunday.

### Survives Charge Of 115,000 Volts

LAKEWOOD, Colo., (AP)—A model airplane enthusiast survived a 115,000-volt electric charge Sunday.

The clothes were burned off Peter Warren 19, who suffered burns over 80 per cent of his body. He was hospitalized in critical condition.

Warren was flying a plastic model airplane controlled by copper wires. The plane struck the power line and the charge coursed down the wires to Warren, standing on moist ground.

## FOLLEY WILL BOX MITEFF ON THURSDAY

### By THE ASSOCIATED PRESS

While Floyd Patterson and Ingemar Johansson spar at the conference table with pen in hand, heavyweights like Zora Folley, Tony Anthony and Alex Miteff keep the wheel spinning on the week's boxing program.

Folley, No. 2 in Ring and No. 4 with the National Boxing Assn., takes on the Argentine Miteff in a Thursday fight at Denver. Miteff, stopped by Willi Besmanoff in one round when he suffered a leg injury, gets a big chance to crash the high rankings. However, Folley came back from his disputed defeat by Henry Cooper in England to stop Joe Byrnes.

Anthony prefers to shoot for the big money among the heavies instead of boxing in the light heavy class where he is the No. 1 contender. The rangy New Yorker faces Ruben Vargas of Richmond, Calif., in the feature bout Friday at Madison Square Garden.

The Anthony-Vargas bout will be carried on NBC radio-TV, starting at 10 p.m. EST.

Joey Giardello and Ralph (Tiger) Jones, two familiar faces on the home television screen, meet Wednesday at Louisville (ABC-TV).

Giardello, the No. 4 man in the middleweight division, lost to Joey Giambra and was stopped by Spider Webb in two San Francisco matches last year. The Philadelphia boxer beat Jones, a Yonkers, N.Y. scrapper, in two previous meetings.

## LAWRENCE TO RUSH HELP TO FLOOD AREAS

### By DICK GRAVES

HARRISBURG (AP)—Gov. Lawrence acted today to speed financial aid to Pennsylvania's flood-stricken regions.

He asked the Legislature to appropriate three million dollars for flood relief and rehabilitation; pressed for acceleration of federal mine drainage payments and moved to speed up relief payments to 6,000 Anthracite miners affected by the Wyoming Valley mine flood.

After a meeting with the state and federal officials Sunday night, Lawrence said he would ask the Legislature to provide 2 1/2 million dollars for the flood-ravaged mining area of Port Griffith and \$300,000 for relief in western Pennsylvania.

He also said every effort would be made to rescue a dozen miners trapped at Port Griffith since last Thursday when the rain-swollen Susquehanna River broke through into a mine tunnel.

"At this point nothing is more important than those 12 men," Lawrence told newsmen after his meeting with the officials.

To Accelerate Machinery  
In providing financial relief and rehabilitation from flood damages, Lawrence said efforts would be made to amend the Federal Mine Drainage Act in order to accelerate payments for dewatering of mines in the anthracite area.

Under the act, passed several years ago, 17 million dollars is provided for mine drainage—half by the state and half by the federal government.

He also said unemployment compensation payments would be speeded up to miners in the stricken area through by-passing of the normal waiting period for unemployment compensation checks.

Some 3,000 miners were put out of work by the Port Griffith disaster—which forced 12 mines to close—and 3,000 other miners have been indirectly affected.

Gives Breakdown  
Lawrence broke down the appropriation he will seek this way: To seal the breach—\$300,000; to provide underground seals to prevent a recurrence, \$300,000; to purchase additional pumps and special equipment, \$1,250,000, and to de-water the mines, \$750,000.

Lawrence said he ordered Maurice K. Goddard, secretary of forests and waters, to proceed immediately to implement plans for

## The POWER of FAITH

by Howard Brodie

"Every time I hear of any child drowning I cry, for this could have been avoided if the youngster had been taught to swim."

These are the words of Gertrude Ederle, who 32 years ago became the first woman to swim the English Channel and now spends her time teaching children how to swim, trying to give back a measure of the triumph that life has given to her.

In her famous swim, training, courage and faith made her carry on when a storm suddenly erupted in the channel, churning up 15-foot waves. The red ball of warning went up for small craft. Her father bargained with the captain of the escort tug to continue. But her trainer asked her to give up.

"Quit?" she answered. "I came here to swim the channel, not to attempt it."

As the storm raged and fatigue racked her body, Gertrude Ederle silently prayed: "Please, God, if it be Thy will, give me the strength and courage to carry on."

## ALASKA'S 1ST LEGISLATURE MEETS TODAY

### JUNEAU, Alaska (AP)—An Eskimo

carpenter and a lawyer were dominant figures as the new state of Alaska's first Legislature convened today. But an ex-FBI agent, who didn't seek the job, will have to guide the lawmakers.

Hugh J. Wade, 57, secretary of state and acting governor, grasped the reins of what is believed the strongest executive type state government when Gov. William A. Egan became critically ill. They are the only elected state officers.

The former FBI agent, who channel work and flood prevention in western Pennsylvania.

"For a great many of these things (flood control projects) we already have plans," said Lawrence.

He said special attention would be paid to the Shenango River Valley and its watershed.

"We expect to get help from the federal government," Lawrence said.

came to the northland 26 years ago, faced the arduous task of outlining the administrative program of the 40th state's new government.

### To Pad Skeleton

In messages to the Legislature, Wade will attempt to pad the skeleton of Alaska's streamlined constitution.

Behind Wade will be two other Democrats—Eskimo William E. Beltz, 46, and Warren A. Taylor, who came to the nation's largest state 50 years ago and first served in the old territorial legislature in 1933.

Beltz was chosen Sunday at a pre-legislative caucus as Senate president. Taylor was named speaker of the representatives.

Egan still is on the critical list after emergency surgery for an abdominal ailment at a Seattle hospital. He has been ill since a few hours after his inauguration Jan. 3.

## BLASTING ICE JAMS TO OPEN FRENCH CREEK

MEADVILLE, Pa. (AP) — Residents of this northwestern Pennsylvania community faced a formidable clean up task today as ice-choked French Creek returned slowly to its banks.

A citizens committee named by Mayor George J. Simonetta estimated that damage from the city's record flood would run to five million dollars.

Efforts will be continued by demolition experts to blast openings in two huge ice jams which kept about 10 per cent of this community of 25,000 under water for five days. Daily blasting efforts thus far have shown no apparent results.

An estimated 2,000 persons fled their homes after French Creek rose to 62.5 feet—5½ feet above flood stage—when a sudden thaw and heavy rains caused a number of streams in western Pennsylvania to spill their banks last week.

Some of the refugees have moved back into their homes, but others preferred to stay longer with relatives or in a special evacuation center set up in a junior high school.

Problems facing the evacuees included lack of heat due to inundated furnaces, broken power lines and frozen water pipes which split in sub-freezing temperatures.

**Snow And Cold**  
Snow and bitter cold over the weekend added to the inconvenience.

Many roads have been re-opened and public transportation began returning slowly to normal. Schools and industries planned to resume operations as soon as possible.

The community, along with many others which suffered flood damage last week, have been declared eligible for emergency aid from the state and federal governments.

## MAN DROWNS IN TRUCK CAB

BEAVER FALLS, Pa. (AP) — Severe wintry conditions today hampered efforts to recover the wreckage of a tractor-trailer from the Beaver River.

The big vehicle plunged through the railing of the Pennsylvania turnpike bridge near the Beaver Valley interchange last Thursday. No one saw the crash. A search was undertaken after the rear wheels of the rig were found dangling from the bridge deck, about 500 feet from the river.

Rescue workers spotted the body of the driver in the cab of the wreckage yesterday. Receding waters uncovered the truck's exhaust pipe and firemen located the wreckage in 8 feet of water 50 feet from shore.

**Driver Not Known**

State police were unable immediately to identify the driver or truck owner. The words "Schultz, Rochester, Minn.," were barely discernible on the truck.

In Rochester, Herman Cowan, the Schultz dispatcher, said one of the firm's drivers, C. W. Christopherson, about 34, of Rochester, had not been heard from since last Tuesday. Christopherson was believed to have been headed for New York from Baltimore to pick up a load of cargo before returning to Rochester.

## ALMOND CALLS EXTRA SESSION IN VA. BATTLE

RICHMOND, Va. (AP) — Virginia's Legislature will meet in extraordinary session Wednesday to seek new defenses for the state in its battle against integration in the public schools.

Gov. J. Lindsay Almond Jr., called the special session Sunday night—six days after the courts had dealt a knockout blow to "massive resistance" laws enacted in 1956.

Without these laws, under which nine schools have been closed, the state is powerless to prevent or delay integration where it is ordered by federal judges. In one school in Arlington, it has been ordered by federal judges. In one school in Arlington, it has been ordered for no later than Feb. 2.

Almond indicated he will offer the Assembly only a stopgap program designed to meet the most immediate problems—when he addresses the State Senate and House of Delegates in joint session Wednesday noon.

The governor said he still plans to appoint a committee of legislators to formulate a long-range anti-integration program.

Almond declined any hint of specific measures he would recommend. He said "it would serve no useful purpose" to disclose whether he will offer a plan aimed at staving off integration in Arlington and in the localities where closed schools may have to be reopened on a racially mixed basis.

Norfolk, Charlottesville and Front Royal.

In Arlington, plans have been laid to appeal to the U.S. Supreme Court the order of U.S. Dist. Judge Albert V. Bryan that four Negroes be enrolled at Stratford Junior High School for the semester starting Feb. 2. School board attorney J. H. Simmonds said Sunday he will confer with a representative of State Atty. Gen. A. S. Harrison today or Tuesday.

Norfolk, where 10,000 pupils were affected when six schools were shut down last fall, may find out today whether the schools must be reopened. The City Council has voted to deny operating funds to all grades above the sixth effective early next month. This move, which would close white as well as Negro schools, was to be challenged today before U.S. Judge Walter Hoffman.

In Charlottesville, where two schools with 1,700 pupils have been closed, the school board has been told by its counsel it must reopen the schools "within a reasonable time." Similar advice has been given the Warren County School Board, whose 1,000-pupil Warren County High was closed.

## CUBA TO TURN ATTENTION TO OUTER WORLD

By ROBERT BERRELLEZ  
HAVANA, Cuba (AP) — Cuba's revolutionary government after a hectic three-week organizing period is turning its attention to the outside world.

A good deal is certain to be heard from provisional President Manuel Urrutia and his Cabinet ministers on Cuba's economic and political role in international affairs.

Urrutia's regime has been overshadowed by revolutionary chief Fidel Castro and his war crimes trials of ex-dictator Fulgencio Batista's lieutenants.

**Many Jobs To Fill**  
Castro's visit to Caracas may have coincided with the end of the new government's most difficult period.

Urrutia has had to find qualified personnel to fill civil posts vacated by the mass cleanout of Batista supporters. He has had to act quickly to meet such urgent problems as getting the vital sugar harvest underway and repairing war-damaged highways, railways and communications.

A harassing factor has been foreign criticism of the speedy military conviction and execution of so-called war criminals and the carnival atmosphere in which the public trials opened in Havana last week.

**Trial Starts Today**  
The second Havana trial was scheduled to start this afternoon. But reliable sources said it would be held at Camp Columbia, the army headquarters outside the city, and not in the 17,000-seat Sports Palace.

The next defendant is a Batista army captain, Pedro Morejon, 36, accused of assassination, homicide, and robbery.

The first Havana defendant, Maj. Jesus Sosa Blanco, was convicted and sentenced to die before a firing squad after a 13-hour trial which was broadcast, televised and interrupted repeatedly by the jeers, hisses and laughter of thousands in the audience.

Only in the past few days has Urrutia completed his Cabinet. In a news conference Sunday, Foreign Minister Roberto Agramonte outlined the government's position on several matters.

Agramonte disclosed that a ministerial committee has been set up to study Cuba's position toward renewal of the sugar act now pending in the U.S. Congress.

He said the government expects the United States to increase its quota of sugar purchases from Cuba. There has been talk by one or two U.S. congressmen of cutting the quota to show disapproval of the executions. Cuba normally supplies the United States with a third of its sugar needs.

## CABINET IN ITALY QUILTS

ROME (AP)—Premier Amintore Fanfani's Cabinet resigned today because of a defection by a minority Moderate Socialist.

The pro-Western prime minister who heads the Christian Democrats handed his resignation and those of his 20 ministers to President Giovanni Gronchi.

In accordance with tradition, Gronchi did not accept the resignations at once. But he made clear he would, and asked the Fanfani Cabinet to continue in office only as a caretaker regime.

Gronchi announced he would start consulting political leaders Wednesday on the formation of a new government.

**May Call Fanfani**

He might ask Fanfani or another Christian Democrat of the party's left wing to try a new coalition, possibly with the Liberals or Republicans replacing the faltering Social Democrats.

It seemed more likely, however, that a Christian Democrat right-winger might be called to try a rightist coalition with the Monarchists, or a minority one-party Christian Democrat Cabinet.

Part of Fanfani's trouble has been opposition from his party's right wing, led by former premier Mario Scelba and Giuseppe Pella, both potential candidates to head the new government.

MANILA (AP)—President Carlos P. Garcia called on the entire Philippine nation today to join a war on graft and corruption, which he termed "a cancer gnawing at our national entrails."

In a state of the nation address to the joint opening session of Congress, the President also outlined a variety of remedies for the Philippines' serious economic plight.

HELSINKI (AP) — President Urho Kekkonen says Soviet Premier Khrushchev told him "I only want one thing, good and friendly relations with Finland."

Kekkonen relayed Khrushchev's remark in a radio-TV speech Sunday night after his return from talks with the Soviet leader in Leningrad.

She was a former president of the National Federation of Press Women and was the first woman named to the board of directors of the Northwest Daily Press Assn.

## 3 IN FAMILY DIE IN BLAZE

WILLIAMSPORT (AP) — A fire took the lives of three persons near here Sunday.

Killed as flames swept a two-story frame house in Loyalsock Township were Mrs. Charles Long, 24; her seven-month-old daughter, Valerie, and her mother, Mrs. William H. McKinney, 58.

Five other members of the family fled the flames but Mrs. McKinney's 73-year-old husband was severely burned. He was reported in fair condition at Divine Providence Hospital, suffering first and second degree burns.

A. Edgar Eschenbach, township fire chief, said the fire was started by children playing with matches as the adults slept in upstairs rooms.

Others who escaped were Mrs. Long's husband, a serviceman on Army leave, their two sons, Charles Jr. 5 and Roger 3, and a nephew, Richard Shuman, 18.

BLANTYRE, Nyasaland (AP)—Police broke up yelling mobs of rioting African nationalists here and in the adjoining town of Limbe Sunday night. Nyasaland is a British protectorate.

The riots came after an emergency meeting of the African National Congress had reaffirmed Dr. Hastings Banda as its president. Banda favors secession of Nyasaland from Britain's Central African Federation.

## Four Are Killed In Headon Crash

SUNBURY, Pa. (AP) — Three women and a 15-year-old boy were killed Saturday night in a head-on collision of two automobiles on Route 122, four miles east of here.

The victims were Kay Brungart, 18, Hummelshart; Mrs. Mary M. Smith, 22, and her sister, Mrs. Joanne Horoschak, 27, both of Atlas, near Shamokin, and Barry Adams, Sunbury.

William H. Clark, 19, of Northumberland, driver of one car, was seriously injured. The Brungart girl and the Adams boy were passengers in his car.

## PUSH SEARCH FOR KIDNAPT TAVAREZ BABY

NEW YORK (AP) — A canvass of all out-patients who visited Metropolitan Hospital last Wednesday is the latest phase of the frustrating search for the kidnapped Tavarez baby.

Forty investigating teams—each composed of an FBI agent and a city detective—began the house-to-house check Sunday hoping to locate the woman who abducted baby Johnny.

Hospital employees also were being interviewed in the effort to turn up some trace of the missing child, taken from his home Thursday when he was 23 days old.

The kidnaper apparently first saw the baby Wednesday at the hospital, where the mother, Dorliza, 31, had taken him for treatment of a lingering cold.

The woman, who gave her name as Gladys Garcia, went to the Tavarez' tiny West Side apartment with the mother and child and returned the next day with a Bronx address where she said Mrs. Tavarez could find more spacious living quarters. She offered to baby-sit with Johnny.

The Bronx address turned out to be a post office. When Mrs. Tavarez returned home, the woman and child were gone.

## In Memoriam

**WOODWARD:** In sad but loving remembrance of our dear mother, Hattie B. Woodward, who departed this life one year ago today.  
No one knows the silent heartache. No one who have lost can tell of the grief that borne in silence. For the one we loved so well.

Gone is the face we love so dear, Silent is the voice we loved to hear And those who think of her today Are the ones who loved her best.

No one knows how we miss her As the time goes by, . . . But we know we can meet her someday In that better home on high.  
Sadly missed by

## NAME JORDAN

(Continued From Page 1)

of Florida with a Bachelor of Science degree. He has had extensive public relations experience in the newspaper field and has owned and operated a dairy and poultry farm in Adams County. He has been active in PTA work and is presently serving as a deacon in the Gettysburg Presbyterian Church.

"The committee recommends that arrangements eventually be made to utilize fully the services of Mrs. Jordan. She is a graduate nurse and has had extensive supervisory experience in a large Philadelphia hospital. Her training, experience and general ability eminently qualify her for a responsible assignment in the infirmary of the new county home.

## To Extend Duties

"The committee further recommends that the duties and responsibilities of the superintendent of the county home be extended beyond what they have been in the past, in the fields of budgetary control, public relations, record-keeping, admission criteria and administration in general."  
The commissioners said that Mr. and Mrs. Jordan plan to continue to reside in their own home on Route 4, in anticipation of the change planned when the new county home is built. Up to now the stewards and attendants at the county home have resided there. It is planned when the new county home is built that all attendants and officials will reside off the premises and be present at the home only when on duty.

## MAYNARDSVILLE, Tenn. (AP)

It's against the law to sell whiskey in legally wet Union County, Tennessee law permits liquor sales only in towns of 1,000 more and this East Tennessee county doesn't have one.  
The county voted to go wet back in 1939, when Maynardsville met the 1,000 requirement. But a population drop in the past years leaves the county's largest town 400 residents shy of the legal mark.

## POPE JOHN TO SEEK UNITY OF CHRISTENDOM

By STAN CARTER

VATICAN CITY (AP) — Pope John XXIII will convene a great assembly — the 21st Ecumenical Council in the 2,000-year history of the Roman Catholic Church — to seek unity of the Christian forces of the world.

Return to the fold of the Eastern Orthodox Church's 129 million members was seen as a prime object of the convocation. But there are great obstacles to any formal reunification, particularly the Roman Catholic dogma that the Pope is supreme and infallible in matters of faith and morals.

Reaffirmation of the church's stand against communism may be another major subject of the Ecumenical Council, the first since 1870. Pope John already has expressed grave concern with the plight of Catholics in Communist lands and particularly in Communist China, where the Red regime has been trying to foster a national Catholic Church that denies allegiance to Rome.

## Biggest In History

The council will bring together Roman Catholic cardinals, archbishops and bishops from all over the world in what may well be the most immense gathering in Christian history. More than 2,500 are eligible to attend.

Representatives of other Christian communities, in addition to Roman Catholics, are likely to be invited to attend.

The 77-year-old pontiff announced his intention to convene the council Sunday after a mass in honor of the conversion of St. Paul the Roman Jew and persecutor of Christians who was struck to the ground on his way to Damascus.

The Pope did not announce a date for the council. Because of the gathering's great size and possibly long duration, the preparation may take many months.

## In Red Countries

Ecumenical means worldwide, representing the whole church. The 20 previous Ecumenical Councils were called to deal with major problems facing the church, such as heresy and schism, to resolve questions of faith or to establish dogma.

Unlike the Protestants, the Eastern church parted from Rome 900 years ago in a dispute over matters of discipline. The Vatican considers the Eastern Orthodox schismatic but still Catholics retaining the apostolic tradition and the regular administration of the Sacraments.

The majority of the Eastern Orthodox practitioners live in Communist-controlled countries of East Europe. There are about 2 1/2 million in the United States.

## May Invite Protestants

It also was thought that Protestant churches would be invited to send representatives, at least as observers. But it was considered certain that the Roman church, in any consideration of union with the Protestants, would insist on supremacy of the papacy. This has always been one of the great obstacles to Christian reunification.

This was underlined by one of the Eastern Orthodox prelates — Metropolitan Anthony Bashir, archbishop of the Syrian Antiochian archdiocese in New York. He objected particularly to the dogma of papal infallibility proclaimed at the last Ecumenical Council.

"When one side wants to rule the other side, then I am sure the Eastern churches will never take it," he said.

The first Protestant leaders queried expressed cautious interest. Dr. Edwin T. Dahlgren, president of the U.S. National Council of Churches, said any step toward unity of churches will be welcome but "it would have to be . . . a mutual coming together, not under conditions laid down by one church for all the others."

## FIND 4 DEAD OF GAS FUMES

PHILADELPHIA (AP) — When Katherine Haiges came to dinner Sunday she found her hostess and three other people dead from carbon monoxide fumes.

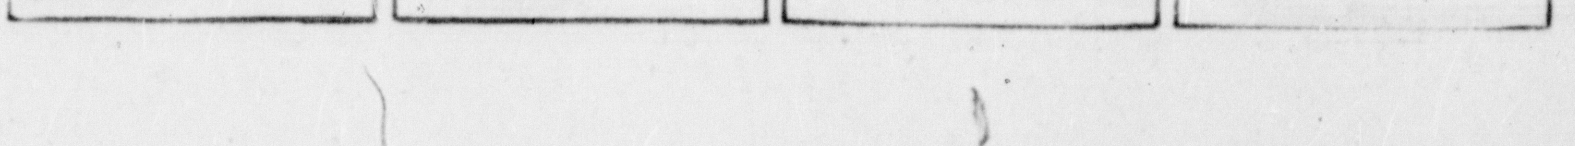

Daniel Doyle, 65, a retired railroad employe, was sitting in a car in the basement garage. The gas tank was empty and the motor had stopped, but the ignition was on.

Doyle's wife, Cecelia, 56, was still alive when Miss Haiges, 23, finally managed to get into the house with the help of a neighbor who had a key.

But the Doyle's daughter, Marie, 24, who had invited Katherine to dinner, was dead. So were Ernestine K. D'Estel, 68, and Joseph Gately, 27, the others who lived in the two-story row house. Mrs. Doyle was in critical condition.

Sgt. John J. McBride of the homicide squad said: "It has all the earmarks of a suicide with an unfortunate aftermath."

Trainer R. L. Veeder was the regular jockey for Alsab, winner of a number of stakes races 16 years ago.

## 22,000 Families Affected By Floods; Loss In Millions

**By THE ASSOCIATED PRESS**

Floods still menaced some areas in five eastern and central states today but waters from swollen rivers and streams were receding in most sections.

The chief problem for the thousands hit by last week's devastating floods in Ohio, Pennsylvania, New York, West Virginia and Indiana was the huge cleanup job.

The Red Cross estimated more than 22,000 families were affected by the floods.

Cold air, with snow or rain, spread from the central plains across the northern half of the country, adding to the inconvenience of flood victims.

In Ohio, one of the states hardest hit, the Ohio River was the last of the state's waterways threatening further flooding.

At Cincinnati, the big river edged up to 56 feet, 3 feet above flood stage.

The Weather Bureau predicted an expected 57-foot crest will be reached near midnight tonight.

The Ohio floods caused an estimated damage of 100 million dollars in 76 of the state's 88 counties.

In western Pennsylvania, many roads were re-opened and public transportation was returning slowly to normal.

At Meadville, Pa., the ice-choked French Creek returned slowly to its banks and some of the 2,000 persons evacuated moved back into their homes.

Demolition experts blasted at two huge ice jams which kept about 10 per cent of the city of 25,000 under water for five days.

At Pittston, Pa., rescue workers finally halted the flow of water from the Susquehanna River into a mine shaft where 12 men have been trapped since Thursday.

Few believe the 12 men would be found alive. The big job of pumping out the tons of water which poured into the mine was expected to continue for two days.

Thirty-three other miners escaped the flooded mine last Thursday.

The cold air covered a vast

area from the central plains eastward through the upper and middle Mississippi Valley to the Ohio Valley, the lower Great Lakes region and parts of New England.

Snow spread along with the cold air from Kansas eastward into the Ohio Valley and lower Great Lakes.

Coldest weather—below zero—was confined mainly to the upper Mississippi Valley and the upper Great Lakes region.

It was a little warmer in the Gulf states with temperatures 8 to 12 degrees higher than 24 hours earlier.

## 21ST SOVIET CONGRESS TO OPEN TUESDAY

**By WILLIAM L. RYAN**  
**AP Foreign News Analyst**

The Soviet Communist party's 21st Congress opens in Moscow Tuesday, with Nikita S. Khrushchev as the unchallenged stage manager. Before it closes, about two weeks hence, the world may witness the spectacle of a dictator desperately trying to look democratic.

What is emerging is a grotesque caricature of democracy, probably born of an anxiety to appease the population's eagerness for a form of government which would look respectable to the outside world.

But this congress will actually see all Khrushchev's opposition, including the so-called anti-party group, denounced and probably read out of the party on a set of charges which will be swallowed calmly by all present.

**He's Not A Stalin**

During his tour of the United States, Anastas I. Mikoyan told Americans that the Soviet form of government is being democratized.

Khrushchev himself has been exhibiting a passion for party participation in what he is trying to do. But at the same time, Khrushchev is directing everything, and likely will continue to do so.

The premier and party boss is no Stalin. There is still no real Khrushchev cult. At Khrushchev's direction, the party still will be hailed as the real ruler of the nation.

**Dictating Every Step**

But Khrushchev is dictating every step of the way. There is little doubt he will clear the party of the last whisper of opposition to his internal or external policies.

Only two years ago the 20th party congress sought to convince Soviet citizens and the world that the U.S.S.R. was run by collective leadership. The climactic development was Khrushchev's denunciation of Stalin's rule. This time Khrushchev himself is the ruler.

Khrushchev will dominate the congress. His program for seven-year economic development has been discussed in mass meetings all over the country and will be unanimously endorsed. So will his programs for agricultural and educational changes, and his foreign policies.

**Uproar Of Criticism**

There has been a sudden upsurge in violent criticism of the

anti-party group nudged from the leadership since 1957 by Khrushchev's maneuvers. Under severe attack are former Premiers Georgi Malenkov, Nikolai Bulganin and V. M. Molotov, former Deputy Premier Lazar Kaganovich, former Foreign Minister Dmitri Shepilov and the war hero, Georgi Zhukov.

Nobody identified with the group is likely to be on the next Central Committee or its ruling Presidium.

Khrushchev still will lack Stalin's power—a mighty police force to supplement control of party and government. He may try to picture this as political progress, but he can hardly make it look like democracy.

### Littlestown

## COUNCIL WILL HOLD MEETING TUESDAY AT 8

The Littlestown Borough Council will hold its January session at 8 p.m. on Tuesday in the office of the borough secretary, Roger J. Keefer, W. Queen St.

Youth Sunday was observed at the worship service in Redeemer's United Church of Christ on Sunday morning, when young people of the church assisted the pastor, the Rev. Glenn Finchbaugh with the service. Donald Arbogast Jr. had the call to worship and invocation; James Kroh gave a reading from "National Youth Week"; Phyllis Eby gave a Covenant for Youth; Douglas

Crawmer read the scripture from I Corinthians 9:24-27 and Luke 10:38-42. Sharon Finchbaugh had prayer; Grizelda Hahn, offertory prayer; ushers were James Evans, Thomas Stavelly, Patsy Rippeon and Sandra Hawk. A choir of young people sang "Within Thy Temple, Lord," Levenson, accompanied on the organ by Mrs. Jay R. Crouse.

Pastor Finchbaugh delivered a sermon on the subject "A Good Name," and delivered a prayer for little children. Rosebush were placed on the altar in honor of the infant son of Grover and Phyllis (Hawk) McClellan, Gettysburg, and the infant daughter of Richard and Shirley (Stonesifer) Marshman, of town. The altar flowers were presented in memory of Mr. and Mrs. Harvey F. Dodr. Those of the church were reminded that the denominational stewardship contest is scheduled to end on February 15. Participants are urged to work on their projects, and those desiring information on the contest should contact Mrs. Theron W. Spangler.

The annual congregational dinner-meeting will be held on Wednesday at 6:30 p.m. in the church social hall. Families are urged to bring a covered dish and remain for a fellowship and reading of reports.

Redeemer's Young Men's Bible Class will meet immediately following the congregational meeting on Wednesday at the church.

The committee in charge of serving the father and son banquet of St. Paul's Lutheran Church will meet at 2 p.m. on Tuesday at the home of Mrs. Roger J. Keefer, N. Queen St. The kitchen committee includes Mrs.
